getting to know The Evans

The newest members of RVYC, Harold and Sandy Evans, know how to take a bad situation and turn it into something good. Harold, a charter truck driver, injured his back and found himself semi-retired and unable to drive. The tables are now turned and his wife, Sandy is the chauffeur. Instead of staying home and feeling sorry for themselves, the Evans' turned to boating. Harold and Sandy found a nice 28' Sea Ray sport cruiser and waited patiently for the seller to finalize the deal in June. They plan to bring this nicely-equipped boat from a fisherman's dream into something suitable for cruising the Delta.

The first thing Sandy did was remove the bunk beds. That decision had something to do with whacking her head more than once on the top bunk. The previous owners had named the boat "Reel Happy II" and while Harold and his son-in-law enjoy fishing, they are thinking of making a change to something a little more personal.

Harold and Sandy are relatively new to the Sacramento area. They relocated to south Sacramento in 2001 from the Bay area, leaving behind the traffic and high cost of living. Lucky for us, they keep their boat at Delta Bay Marina, where they met Cookie and Ron Hanlon. In fact, their slip at Delta Bay was previously occupied by the Coast Guard and boasts a custom patio, complete with a picnic table. As new boaters, they are looking forward to cruising with our club and learning more about the Delta.

COMMODORE REPORT

by Sherri Olson

Happy New Year to Everyone!

I hope your holidays were fantastic. I would like to thank you for electing me your Commodore for the ensuing year. I will try to do a good job and make you proud. I know I have Linda's big shoes to fill.

Our Christmas party and Change of Watch was a great deal of fun. Thanks to Danielle and Laura for their help in the kitchen. The gift exchange and stealing was good, except if you were Joe Collins. He picks the best gifts and then gets them stolen. John Howard won the Poker Run.

This next year we are going to have fun and enjoy cruising. Our first cruise is to Stockton Y.C. on the Calaveras River. It is their Cinco de Mayo and Kentucky Derby Party...great fun, crazy hats, super food, so plan on it. We will be setting the rest of the cruising schedule soon, so get your suggestions in or plan a cruise for the 4th weekend of the month and let us know. We have put in for Commodore Island for July and are waiting to hear back.

Please, if you have suggestions to make the club better, let a board member or myself know. We do need you input. Remember, this is your club and we are just a temporary keeper of it. We need new members and everyone's input and support.

From the Editor

by Joanne Beauchamp

Well, I have finished my first year as Editor thanks to my daughter, Lisa. Hopefully, this year will be easier.

Beginning with the February/March issue, I will be emailing the newsletter to those with e-mail addresses except those who have requested a hard copy.

Those with printers can make a hard copy for themselves. Our NEW website is up and running and it looks great, so check it out. You will also find copies of the newsletters on it. Dennis & Cindy have offered to keep the website updated.

Also, please welcome the Board of 2007: Sherri Olson, Commodore, Dennis Kazee, Vice, Joe Collins, Rear, Frank Beauchamp, Sec., Cindy Kazee, Treas., Ken Horak, Port, Joey Horak, Activities, Jerry Olson, Bar master, and Joanne Beauchamp, Editor.

getting to know... *The Evans*

(continued from page one)

Since his injury, Harold is not able to enjoy a shared pastime with Sandy, riding motorcycles. Instead, he has found a hobby in making toys and working with wood. "Kind of like Santa," he says. Sandy interests are varied as she loves crocheting and watching NFL games, attending about 3 games per season. One of her wishes is to see a football game in the snow, so she and her daughter are heading to Denver to see the 49er's play the Broncos on New Year's Eve. Harold says he is going to the boat to live it up while Sandy is out of town.

Speaking of family, the Evans have a big one. Between the two of them, they enjoy their 5 kids, 8 grandchildren and five great-grandchildren in the area and in Oregon. Hard to believe it, but this young couple are great-grandparents!

Be sure to take some time at our next dinner and during our cruises next season and get to know Harold and Sandy. But take it easy on them; they are new to boating and Cookie did tell them that we were all nice and friendly! Someday, they hope to find a suitable houseboat and live aboard full-time. Joining River View is a good place to get started on that dream.
