PITTSBURG CRUISE – SHERRI OLSON

The Pittsburg cruise at the end of September was a hoot. Only three boats were able to make the trip– *Feels So Good*, *Carrie Ellen*, and *Avalon*. The trip in was typical of the Delta in the fall; the water was like glass.

We had jambalaya on the Olson’s boat Friday night. On Saturday afternoon, we walked the short distance into town and went to the city museum. The exhibits were very interesting and the museum was much bigger than it looked from the outside. Afterward, we walked over to the launch ramp to watch duck races. Pittsburg’s city band was having a fund raising race. Really cute with rubber ducks. Saturday evening we went to New Mecca Mexican restaurant in town. It was quite a wait but the food was great and there was plenty of it. Sunday morning we went to Nana’s for breakfast. YUM.

The Beauchamps had to leave the marina early for a memorial service for a friend. The weather was great and the trip back home just as nice as the one down, although we did have to dodge fishermen both ways but it was fun. Pittsburg has done a super job on their waterfront, so don’t pass up another opportunity to visit by boat!

AROUND THE CLUB BY JOANNE BEAUCHAMP

- While on the Big Island of Hawaii, John Howard went snorkeling for the first time and loved it! He will spend Thanksgiving & Christmas with his nieces and nephews in the Bay area.
- Jim and Joyce Shetler spent the first half of November on the East coast where they visited with relatives in Richmond, VA to get their grandkids fix. They then went on to Florida to catch a U of Florida football game in which a friend was playing. They were given front row seats but, of course, when it started to rain, they were out in the open and it was cold. Brrrr! For Thanksgiving, they will be in San Diego celebrating the day with Laura and her boyfriend's family. Happy traveling!! The Shetlers advise you to check out the Southwestern YC sometime when you are down there.
- Jerry and Sherri Olson are looking forward to their holiday shopping trip to Laguna and visiting with relatives. They will be at their daughter-in-law's mother's place for Thanksgiving and home for Christmas! They have lost many friends this year and hope that 2014 will be a better one.
- Gary and Mikki Dalleske are going to a friend's home for Thanksgiving. Their son-in-law, Hans' Maine relatives will be here for Christmas as well as Mikki's sister from Texas. Her sister, who formerly lived in southern CA, now lives in Auburn.
- Gary is doing well and will be finished with his radiation treatments by Christmas. He is going to the gym three times a week to build up his strength. Mikki keep busy with school projects for the grandkids.
- Joanne and Frank Beauchamp will have a niece from Michigan visiting over the Thanksgiving holiday and will enjoy the turkey feast with their son Steve and family. A treat for the niece will be going to the Harris Center Theatre in Folsom to see "An Irish Christmas." Daughter, Lisa and son-in-law, Terry, will host the Christmas dinner at their home in Rancho Murieta.
- Dennis Kazee is wrapping up his project in Oakland and is looking forward to being back with his family in Sacramento. It has been a year since starting the job, and Cindy says it has been 11 months too long. Kaylee is back playing basketball for her middle school team. Zak finished an outstanding marching band season and is ready to jump into "build season" with his FIRST FRC robotics team in January.
- Linda reports that David Poston is waiting for his procedure to place some stents, but has 4 more iron infusions to go and another test before he is cleared for surgery.
- Cookie Hanlon & John Luna are making their annual trek to Pismo for the November holiday. They will be joined by the Kazees and a couple of other family friends for a traditional feast while camping on the beach.

River View Yacht Club was first recognized by the PICYA in December 1955. The old Sacramento River steamer "Cherokee" was our original home until deteriorating conditions led to its demise in 1967. RVYC currently hosts meetings and events at the clubhouse moored at Holland Riverside Marina in Brentwood and other locations in the Sacramento and Delta region. Our club meets monthly for dinner and meetings on the third weekend of the month, and cruises April through October on the fourth weekends. Guests are always welcome aboard!
