## 2011 BRINGS NEW MEMBERS

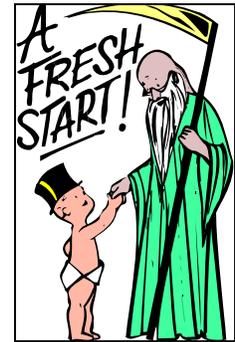

As 2010 ended, we received the good news that our friends Gary and Mikki Dalleske were joining our club. They have been guests so many times for dinner and cruises that they were practically honorary members, but now it is official. Welcome Gary and Mikki!

Gary brought his friend, Rodger Shartle, to our dinner in January and Rodger was so happy with the club that he submitted an application after dinner. The Kazees are especially excited about this development because Rodger and his wife, Susan, have two teenage boys. Zak is hoping they like to fish. Kaylee just hopes they like to bait the hook so she won't have to. Look for an introduction of

our newest members in an upcoming edition of the newsletter.

Irene and Alex Real, friend of the McMahans, were also guests at our January dinner. If it were not for their plans to relocate to Florida in mid-year, they would consider joining as well. We look forward to their appearance as regular guests for as long as they are in the area.

The new board voted to continue to suspend the \$100 initiation fee at least through the first quarter of 2011. Please spread the word that our club is growing and we are welcoming new members. The cruise calendar has been outlined and we anticipate an active season of boating, dinners, and lots of fun and good fellowship in 2011!

## COMMODORE'S REPORT BY CINDY KAZEE

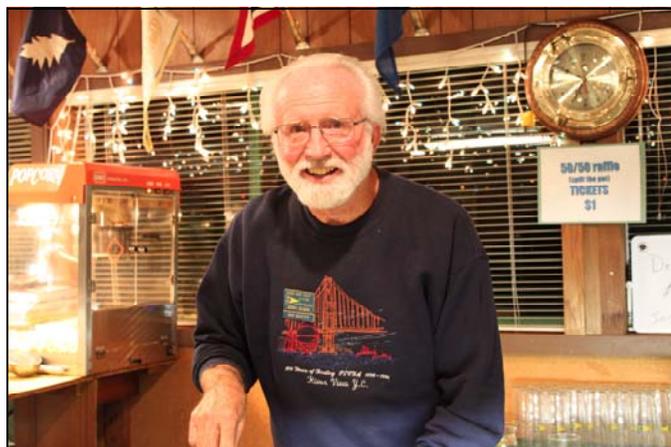

In a meeting in the hours before our January dinner, the board laid out the calendar for the new year. We tossed around a bunch of ideas for cruises and activities. Some are old favorites that we like to do every year, like the brunch, poker run, and raffles. We have our "go-to" cruise destinations, too, like Westgate, Willow Berm, and Sacramento Yacht Club.

But with the new year comes new board members, and the ideas are also fresh. How about a bay cruise to Petaluma, with the possibility of continuing out under the Golden Gate bridge?

Maybe a bus trip to an area casino is your idea of winter fun and all you need is an invitation? Or maybe you would really enjoy an evening at the River Cats. We are sure to have something on the schedule for everyone this year, including cruises to destinations both near and far. And as always, there is room for people to come by car or even RV.

This is going to be tide-changing year for River View Yacht Club, and I'm excited to work with our seasoned board, and look very much forward to showing our new members the ropes. It is going to be a great year on the water!

## AROUND THE CLUB BY JOANNE BEAUCHAMP

- Dennis and Cindy Kazee are going to have a teenager in their household on the 19<sup>th</sup> of January as Zak turns 13 on that date. Cookie's daughter, Rhonda, mentioned over the holidays, that she remembers Cindy announcing her pregnancy while they were anchored at Lost Slough in 1997. Dennis will be spending time and \$\$\$ on their boat this winter as the main water pump quit and the primary HVAC system is not working.
- Jerry and Sherri Olson's boat, "Feels So Good" is in working order again and they are ready for the new boating season. Their grandson, Chase, will be two in February and will be starting pre-school twice a week.
- Laura Shetler finished her first semester at San Diego State and is learning that college can be a lot of fun, but also a lot of work. Her grades were OK, but, of course, Mom and Dad think she could do better. In early December, Jim and Joyce traveled to Raleigh, NC to meet their new granddaughter, Kendra, and to spoil grandson, Jaden. Laura followed in January.
- Joe Collins went back to Boston for Thanksgiving. He has been very, very busy at work and missed our January dinner meeting.
- Frank and Joanne Beauchamp took their grandsons, Adam (12) and Tai (8) to see Cirque Dreams Holiday at the Convention Center

Theatre on New Year's Eve Day. It was a wonderful performance!! Afterwards, they met up with the boys' parents and sister at Mel's in Folsom for dinner.

- Orsi also missed our January event as they were at the annual El Dorado Search and Rescue Crab Feed. Many of our members will attend the Boy Scout Crab Feed on the 15<sup>th</sup>. Olsons will be at one on the 22<sup>nd</sup>. The Beauchamps and Howard will be cracking crab shells on February 12th at the Presidio YC.

Now, on to the medical news:

- Richard Orsi will be having shoulder replacement surgery in February. He had to have some dental work done this month before they would go ahead with the procedure.
- Helen Moran is having cataract surgery on January 31<sup>st</sup>.
- Gary Dalleske's mother has been in the hospital since December 23<sup>rd</sup>. As of last week, she was showing improvement and may be released soon.
- Jim Shetler is recovering from hernia repair surgery and is doing well, though he still is a little sore, especially when he laughs or coughs. We were glad to see him at our recent dinner.

**A HAPPY AND HEALTHY NEW YEAR TO EVERYONE !!!**

River View Yacht Club was first recognized by the PICYA in December, 1955. The old Sacramento River steamer "Cherokee" was our original home, until deteriorating conditions led to its demise in 1967. RVYC currently hosts meetings and events at our clubhouse moored at Cliff's Marina in Freeport. We are proud of the rich history of the present clubhouse, the former Elkhorn Ferry barge. Our club meets monthly for dinner and meetings on the third weekend of the month, and cruises April through October on the fourth weekends. Guests are always welcome aboard!
