COMMODORE *REPORT*

by Sherri Olson

Well, August is all but a memory. Where does the time go and so fast? We are not having a cruise in August since only one boat could go.

It is time for board member nominations for the coming year. Please get involved and serve on the board. We are now having board meetings only once a quarter unless there is special business. These meetings should be able to be held before or after a dinner, so GET INVOLVED.

At the September dinner, we will have Eight Bells for Ron Hanlon. Russ Kaiser, a past Commodore and personal friend of Ron's will be doing the bells. This will also be the last month that the tip jar donations will go to Ron's charity.

Board and other members went to Marina West YC on August 10th to get acquainted and join them for dinner. They certainly made us feel at home as they were friendly and fun. We are going to see how their situation is in a couple of months and if a merger is possible. As soon as our floor problem is fixed, we will invite them for a visit.

If someone has an idea for an October cruise, please let me know.

Have a great month, hopefully on the water. Our editor will be on vacation for a month, so that is why this is a Sept./Oct. issue.

AROUND THE CLUB

Beauchamps will be canal barging in Southern France for 10 days and then land cruising and visiting a friend in Paris.

Frank Champion should soon be free on the weekends.

Cookie Hanlon did some vacationing in Oregon.

John Howard, Kazees & Beauchamps had dinner at the Presidio YC and toured the Bay Model. Ask the Kazees about their trip to Sausalito.

Russ Kaiser will do eight bells for Ron at the September dinner.

The Olsons should have a new granddaughter by the time you read this.

As far as we know, the Ziglers are still traveling in their land rig. When they return, we hope that Steve can help with some repair work on the clubhouse.

John H. will be cruising with the Lenneys for a couple of weeks in Sept. on their new yacht.

Dale Hafelfinger should be driving again and Jean is probably very, very happy.

Tom and Helen Moran have been having some fun and scary times with their new boat.
