Sun Came Out Brunch was a Success

Wow! What a great job everyone did to make our 6th Annual Sunday Brunch a fantastic hit. As usual, club, associate and former members helped out wherever needed. At times like this, it should remind us all what a great organization we belong to and what great friends we have in each other.

I would like to thank each and everyone who helped make this a great event. I know that Cindy K. never wants to make melon balls again as long as she lives, Maura and Steve Z. do not plan on cooking bacon for at least a year and Frank B. and Jim S. fried just about all the sausage they could handle, while Wayne W. and Dale H. stirred and stirred the gravy. I'm also sure Nina M. never wants to slice bread, nor does Jean H. care to stuff the French toast.

It's a good thing we only do this once a year. Hopefully, by next spring, all will be forgotten and the pain will be but a dim memory. The rest of us also worked our little fingers to the nubbins, but were lucky enough to keep moving around from one project to another. Our head count was about 60 less than last year but the good news is that we had a steady stream of people coming and going and we did not have to ask lingerers to give up their seats. As of right now, our profit is at \$2,080. (continued backpage)

COMMODORE REPORT

by Sherri Olson

Our Brunch is behind us and I would like to thank everyone who donated food and/or worked to make it a success. Cookie did another great job as chairperson. THANKS! Cindy raked in the money and Jerry kept them happy at the bar. We served about 150.

We are set to cruise into Stockton YC May 4-6 for their Kentucky Derby and Cinco de Mayo. This is a great yacht club and fun event. If you would like to drive down, contact me or you can go to the PICYA web site and under club information, click on Stockton. It is on the Calaveras River. Memorial Day week-end, we cruise to the Sacramento YC for the Jazz Jubilee. They are great hosts and we always have a fun time. If you can't cruise in, come for a day by car.

We need to do some fixing up on the barge where there is dry rot (see Port Report), so try to come to a Work Day. MANY HANDS MAKE LIGHT AND FASTER WORK.

WHAT CAN I DO FOR MY YACHT CLUB? Come to dinners and cruises. Help when asked to do a dinner or work. Talk to other boaters about our club and get new members. THIS IS EVERYONE'S DUTY!

ACTIVITIES REPORT

Our April dinner didn't have a very large crowd, but the food was excellent and plentiful and we all had a good time. I drew numbers for lottery scratchers and all three people were present, Frank B., Sherry O. and Cindy K. However, I don't know if any of them were big winners. John Howard won the Split-the-Pot and graciously donated his winnings back to the club.

Don't forget our Gala Raffle in June to commemorate our 50 years with the PICYA.

Happy boating and we'll see you at the club or on the water.

PORT REPORT

by Ken Horak

Now that our annual brunch is over, we need to concentrate on repairs to the barge. There are deck boards that have dry-rot and will need to be replaced. Some exterior panels will also need to be replaced. The floor in the storeroom has dry rot, but I do not know the extent of it as yet.

As soon as the weather will co-operate for a few days at a time, we can plan a work party for a week-end. If anyone has time to help me on a weekday, please give me a call. I'd like to thank Steve Barker for all of his time and work on getting the lift installed. See you at the clubhouse.

MEMBER NEWS...

Dear RVYC Friends,

Thanks so much for your outpouring of sympathy and support for the loss of my mother, and for your generous donation to her memorial fund.

Losing someone close is so difficult as far too many of you know firsthand, but I was overwhelmed by the cards and the messages sent to me and my family. It really helps to know that my friends are there in good times and bad, and words cannot express my appreciation.

My mom enjoyed meeting all of you, and found you gracious in your welcoming of her, especially her family at the Westgate Landing cruise a couple of years ago. These memories are especially sweet now.

You are truly a wonderful group of friends and I love ya!

Special thanks to those who helped on Friday night, after the dinner, to finish getting the clubhouse ready for Sunday and a big round of applause to Dennis Kazee, Steve Barker (former member) and Ron Diehl (a friend) who came back on Saturday to finish the lift that originally had been for Linda Champion. Ron H. is at the point that he needs help getting onto the barge and it is also good for lifting supplies. Again, Thank You to everyone for their support.
